

25X1

5 July 1968

MEMORANDUM FOR: Deputy Director for Support

THROUGH : Director of Personnel

SUBJECT : Retirement Counseling and Placement Staff  
Progress Highlights During June 1968

1. One final meeting remains to complete the factual and legal review of the "CIA Disability and Retirement System - Questions and Answers" booklet following which it will be forwarded for publication. It will greatly enhance the basic understanding and interpretation of the System by Agency employees.

2. In addition to the retirement literature distributed to 1968 retirees and to career service and personnel officers earlier this year, 80 portfolios containing kits of retirement leaflets and pamphlets, have been distributed this month to overseas stations and bases. Each portfolio constitutes a compact reference collection on retirement subjects for the use of Agency personnel having retirement questions or who are interested in retirement planning. Also, 47 similar portfolios have been distributed

25X1

3. A procedure has been developed with the assistance of the Central Cover Staff and the Office of Security to solicit pertinent information of Agency retirees as to their location and employment status. Of the initial 41 letters sent out responses, after six weeks, have been received from all but 8. Six have raised questions which are being answered and still not one of these retirees has specifically requested further employment assistance.

4. Possible retirement incentives continue to be surfaced by RCPS. Recent proposals have gone forward on a Mutual Funds Employee Participation Plan, and on extending Agency concepts and potential use of "Off-Campus Courses." Ideas raised in the fall of 1967 have again been aired in discussion, such as extending the use of administrative leave, and covering tuition costs for courses which add to the production, effectiveness and professional level of our employees. Such courses may at the same time equip an employee for work elsewhere in the government and thus contribute to upgrading the quality of employees in the U.S. Government.
